GAME BOY ADVANCE SP

For gaming on the go, nothing beats a Game Boy Advance SP! Optimized for game play, the Game Boy Advance SP combines powerful performance, responsive play, and a bright, backlit screen in a sleek, folding design. Experience the bold graphics, large, colorful wide-screen format and digitized stereo sound—play all your favorite games on the world's first 32-bit handheld!

- Plays all the Game Boy, Game Boy Color and Game Boy Advance games you already own!
- Built-in backlit screen for take-anywhere game play.
- Use the Game Link® cable to link up with other Game Boy Advance systems and play 4-player games on 4 different screens. (Game Boy Advance Game Link cable sold separately.)
- Includes AC adapter and lithium-ion rechargeable battery pack—good for up to 13 hours of continuous game play.
- Connect the Nintendo GameCube Game Boy Advance cable (sold separately) to the Nintendo GameCube™ and on specially designed games you can exchange data and unlock extra features or levels.
